

Leicester, March 9 '65.

Dear Wallcut

47 Herewith is a little business which, perforce, I must trouble you with. Could I have determined the day for the meeting, I sh^d have sent out all these notices myself direct from here.

Now - please get Garrison's choice of the following 3 days as soon as you can, viz^t.

Tuesday (14th), Wednesday (15th), Thursday (16th)

and then oblige me by filling up the several notifications, herewith enclosed,

of distributing the same without much

loss of time. { Quincy's to Dedham, if he doesn't soon appear.
A. W. W.'s to Weymouth.
Sergeant's by Penny Post. Rest, by W. Wright, or at office.

Either day will suit me, as I

mean to be in Boston on Tuesday morning & remain over the 3 days. - I have

not notified H. C. Wright, not knowing where he is, or whether near Boston; but if he is, pray cause a notice to be sent him, without fail.

Truly Yrs,

S. May Jr
